Додаткова інформація

Особисті якості, хобі, захоплення, навички: Test Case, Bug Hunting. I have been training as a QA specialist since May 2014 at Lviv QA School. I possess knowledge about software testing types, test design, bug management, software development cycle and methodologies. I'm competent in test design and functional testing. Currently I'm looking for a long-term commitment in the software development company on the position of QA trainee/Junior QA in order to apply my knowledge on practice. I'm highly motivated and fast learner.
