WORK EXPERIENCE:

I have been working in worldwide contract logistics since 2010. Main tasks are building all logistics, WMS processes from zero, implementation of business process improvements to minimize time, costs, simplify and improve the process of tasks and correction of errors in business process inside compony between all department.Negotiation with partners and clients. Work with client's database and a lot of stock products.

My achievements are, growing from warehouse worker to manager of logistics project, 1070% costs optimization and 15-30%-time reduction costs.

Collaborated with such companies Oriflame, L'oreal Paris, Bosh, Samsung, H&M, JDI, Mondelez, Jacobs

EDUCATION:

IT School GoIT
