## Додаткова інформація

Особисті якості, хобі, захоплення, навички: HTML+CSS knowlages. I made 3 landing pages. First of them was training. I was doing same things with developer who wrote HTML code. Just for understanding what is HTML+CSS at all, how to create pages and write code basically. And what is the BEM pattern. After that I was made 2 more landings. Third SPA reflects React skills. You can check it on this links: • rostislav.azvideoart.com (layout) • azvideoart.com (layout) • https://nightdreams11.github.io/abztest/ (react+redux) • https://nightdreams11.github.io/react_MD_task_1_abz/ (Material UI React components) I have knowledge of React and Redux, I can create basic SPA. Now I'm writing social web. Since August 2019 I was learning programming. First language was C#. I have basic skills, basic OOP understanding and few console programs was developed by my as training. You can check it there: https://github.com/NightDreams11/trainingSkills Now I'm working in logistic company since 20th November 2019. I have a lot of experience in cargo transportation. On this place I've got strong skills of communication with people. When people tell about multi-tasking job, be sure that they mean exactly logistic. And that job is full of stress, but I always holding calm. This place teaches you discipline. My skills: 1) React and Redux 2) HTML + CSS 3) JS 4) Regex 5) Ansible playbooks 6) Deployer 7) Digital Ocean + Cloudflare 8) Material UI React components 9) Storybooks 10) PDF and emails layout 11) SASS preprocessor 12) Rest API 13) B1 level English 14) Conversation and soft skills. I'm looking for a job on position Junior. Please send you offers to email, Viber or Telegram
