About me:

Hi, my name is Valentyn, I'm thirty-three years old. Short time ago I found new direction for my self-development – WEB development. I really like that and I think I can do this. A few words about me: I do not smoke, don't drink alcohol and like healthy lifestyle. I have a great daughter and perfect wife. I hope your company will be a new home for me and you give me a chance to create something great for people.
