Dear HR,

Hello, my name is Illya and I'm to express my interest in applying for the Intern/Trainee Front-end developer position.

I'm a student and a self-taught programmer. I've been studying programming for 3 years and Front-end development for 1.5 years, building a few projects along the way.

My key feature is fast learning, dedication, determination and high-motivation to grow as a professional.

I really want to work for your organization to get commercial project experience, working with real professionals and help your team in production in future.

My resume is attached. If I get your attention, please contact me to schedule an interview. I look forward to meeting you to discuss employment opportunities in your organization.

Salary expectation: ready to work for free to get experience
