Опис

Oleksandr Sorochenko

Unity software engineer

Summary

Combining my passion for creating things and watching them work and my passion for games, I am switching to the game industry, working on my own projects from scratch, and looking for a professional team to join.

Projects

2D Space Shooter

Implemented fighting system, UI/UX, Physics, Object Pools, Animator, simple AI
alexfeliz.itch.io/2d-space-shooter
github.com/AlexFelizSasha/SpaceShooter2D

3D Chameleon Game

It is called Chameleon because of it's unusual control system. Implemented UI/UX, Object Pools, Events, State Machine. Animator, Particles, simple AI. All objects are created in Blender (project is in progress)
