General Construction Worker

Work at various sites in Ukraine, Poland (Construction), Київ
01.2004 – 08.2019 (15 років 7 місяців)

Обов'язки:

During this period, I worked as a versatile construction professional across multiple sites in Ukraine and Poland, handling a broad range of construction tasks with adaptability and skill. This role required a strong understanding of different construction techniques and the ability to quickly adapt to diverse project requirements. My responsibilities included everything from basic construction and repair work to more complex tasks, demonstrating flexibility and a commitment to quality in all aspects of construction work.
