SUMMARY

As a Web Designer, I am passionate about advancing my career in web design. With a solid foundation in design principles and a flair for creativity, I am poised to apply and refine my skills in a professional setting. I am seeking opportunities that will allow me to leverage my experience, collaborate with seasoned professionals, and make impactful contributions to web design projects, all while continuing to grow my expertise in this dynamic field.

WORK EXPERIENCE

Junior Web Designer
2024

Projector Jun 2023 - Mar

- Gained essential expertise in interface design and user experience (UX), enhancing my grasp of core web design principles and techniques.
- Experience by working with Aspichi company
- Enhanced my proficiency in crafting both desktop and adaptive designs, focusing on responsive layout techniques and user-centric principles.
- Conducting competitor analysis, researching target audiences, developing site architectures, creating mind maps, sourcing references, and crafting wireframes and prototypes.
- Experience by working with Bitchin company
- Developed a deeper understanding of web design principles, including wireframing, prototyping, and user experience (UX) optimization.
- Improve skills in creating mobile design

Talent Sourcing Consultant
2023

Ciklum Jul 2021 - Sep

- Focused on identifying and interviewing suitable candidates for positions in the IT and design sectors
- Active using recruiter tools (boolean search, X-Ray search, LinkedIn Recruiter, Djinni, etc)
- Reporting and reviewing documentation for client vacancies
- Preparing reports and maintaining documentation for client vacancies, ensuring clear and ongoing communication with clients
- Leveraging my strong understanding of IT technologies and frameworks
