Досвід роботи

Middle QA Engineer

Software Development HUB (IT), Харків

12.2021 – 05.2024 (2 роки 5 місяців)

Обов'язки:

- Conducted a range of testing activities including functional/non-functional, smoke, regression, ad hoc, end-to-end, exploratory, and cross-browser testing.

- Performed comprehensive mobile (iOS/Android) application testing covering functional, usability, UI, and regression aspects, including installation testing.

- Executed UI/UX testing for both web and mobile platforms, ensuring alignment with Figma design.

- Utilized DevTools and Sentry for web testing.

- Conducted database testing using DBeaver, ensuring data integrity and correctness, and performing tasks such as data hidden from users, data writing verification, selections, searches, and editing.

- Provided customer support by configuring new productions for clients and processing client data, including handling over 20 new products.

- Tracked and investigated bugs reported by customers, creating test plans and executing checklists and test cases.

- Collaborated with PM and BA to analyze and test product requirements, identifying potential conflicts and enhancing team productivity during task planning.

- Mentored and trained three new QA team members.

- Worked according to the Scrum methodology, organized weekly QA meetings to discuss system-related issues.

Junior QA Engineer

Pingle Game Studio (IT), Дніпро

05.2021 – 11.2021 (6 місяців)

Обов'язки:

- Conducted manual testing for games and game-related features, covering UI/UX, functionality, exploration, changes, cross-browser and cross-device compatibility.

- Collaborated with target managers to identify and debug issues with gaming consoles.

- Reported and documented technical issues encountered during testing.

Junior QA Engineer

website development company (IT), Дніпро
03.2020 – 05.2021 (1 рік 2 місяці)

Обов'язки:

- Proficient in utilizing browser DevTools and design software such as Figma, Adobe Photoshop, and Adobe Illustrator for editing purposes.
- Managed website content through the admin panel of WordPress as an editor.
- Knowledgeable in markup and data format languages like HTML and CSS.
