Досвід роботи

Online ESL Tutor

Burlington Online School (ESL Education),
09.2022 – 07.2024 (1 рік 9 місяців)

Обов'язки:

I've worked as an ESL teaching conversation classes to school students. My work involved both coaching and teaching conversation skills. The course focus is to improve their language skills and boost their speaking ability. We practiced extensively and students broke the language barrier. They managed to to speak with fewer mistakes. In addition they acquired knowledge, practiced language in various conversational contexts, and boosted their speaking confidence.

Online Business Trainer

Bizmates Business School (Business Training),
09.2021 – 04.2024 (2 роки 7 місяців)

Обов'язки:

I have trained students and young professionals on the language practice. We have covered various language skills and focused closely on business English. The training has equipped the learners with the necessary skills to use language effectively within business context.

Online ESL Teacher

NovaKid (Kids Education),
08.2020 – 06.2023 (2 роки 10 місяців)

Обов'язки:

My main role was to teach kids from around the world. The course was animated and interactive to suit children's needs. Also, I used extracurricular games and activities to enrich the class and rehearse the target language delivery. The kids like it when we play and learn.

Особисті якості, хобі, захоплення, навички: I am Walid, an English teacher and ESL trainer. I graduated from the school of education, English department. I work with international schools, language training centers, and academies. My hobbies are reading, researching, writing, trekking, running, Karate, and martial arts sports. Teaching English is my passion. I would like to join your school to make difference. To help students with their learning process and support them on their achieving their goals. I am an enthusiastic and creative English teacher. I am also passionate about teaching so I make sure that my classes are fun and interesting. One of my pluses is being able to communicate effectively from behind the screen. In addition, I have a differentiated teaching style to be accustomed to various types of learners.
Мета пошуку роботи, побажання до місця роботи: I am qualified for the position because I think teaching is about more than just passing on information. Teachers are seen as second only in importance to parents by their students because of the significant impact they have on their lives. In the classr
