Опис

sergemoskalenko.github.io/sergemoskalenkocv202603en.html

* **Turn Your App Idea Into a Top-Rated Success Story**

Full-cycle iOS/macOS, Android & Flutter development — from scratch straight to the App Stores.

* **Level up your existing apps:** Integrate cutting-edge AI, eliminate critical bugs, and modernize legacy code (Objective-C, Swift, Kotlin, Java, Dart, C, C++).

Let’s create mobile experiences users love and businesses profit from.

Ready to launch? Let’s go!

PROFESSIONAL SUMMARY

Innovative **Senior Software Developer** and **Tech Lead** with over 25 years of experience in software engineering. Expert in **iOS (Swift/Objective-C)** , **Android (Kotlin)** , and **Cross-platform (Flutter/Dart)** development. Proven track record in integrating **AI/LLM APIs,**architecting complex mobile ecosystems, and leading engineering teams. Specialized in high-performance applications, legacy code modernization, and end-to-end project delivery.
