IT Customer Engagement Specialist/ Project Management (Remote Help Desk Work)

Upwork, USA (Outsourcing), Киев
09.2016 – 09.2019 (3 года)

Обязанности:

For 3 years I have worked on Upwork. It is the world's largest freelancing website. I have gained invaluable experience working with numerous companies that specialize in innovative technologies, architectural and design.

I assisted CEOs with daily administrative duties and a variety of administrative tasks. Assisted with the creation and implementation of key company KPI and ensure they are continually being met by team members. Set policies and guidelines for how to complete tasks.

Actively participated in identifying right solutions to meet customers' needs, helped to implement sales and marketing strategies and adjusted sales techniques based on interactions and results in a particular field.
