I was not so happy of this king of work for many personal reasons and it was non-alcohol restaurant so I can't create and mix which make me very disappointed for hospitality, and let me make biggest mistake in my life which is I decide completely change my field and go work as receptionist in the medical clinic and I was staking to do this work for more than 5 years. But I was never completely leave my bartender job and all this time was going as part time for event, parties, weddings, gala dinners, sheikh gala dinner and birthday party's because I really can't live without this work. Bartender job really make me very happy and let me feel that I'm doing something very important and satisfy myself and let me always grow up by getting new experience and knowledge. Cause of this job I was getting study psychology for to k now and understand people needs. Now I'm getting back to the field.
