Technologies and tools

• Tracking and project management tools (Jira)

• Chrome, Safari, Mozilla Firefox, Edge, Internet Explorer and etc.

• Microsoft Office

• Skype, Zoom etc.

Personal information

Empathetic and professional attitude, committed to providing patients with the best care possible, strong interpersonal communication skills.

I do like familiarization with the new approaches and technologies. I often read books and study online courses, lessons and webinars. To my mind, the QA Engineer should have extensive knowledge.
