Описание

Summary

I want to work HR/HR Generalist. Graduated from Hillel School (direction recruiting / HR).

I received modern knowledge, skills and now I am full of energy and desire to apply all the skills in my work. Despite the fact that I have extensive experience in working with people, managing a team and making managerial decisions, communicating with management and clients, analyzing, building business processes, preparing documents, reports, organizing committees and much more, I am ready to start my own work from a junior to go all the way to career growth and become the head of the HR department. I want to work in a team, help employees develop, feel involved in the work, feel the team spirit. I want my work to bring effective results to the company.
