Описание

Hello!

I am Aybars From Turkey.I have been living in Lviv for 6 years.

I graduated from Lviv polytechnic university in computer science (IT).

I have 12 months of professional work and 2 months of internship experience as a Flutter Developer and i have experience with (Publish application, (Git) GitHub,Rest-Api, HTTP,JSON,Swagger ,Bloc Pattern and Providers using Flutter packages, Adaptive Builders, (Multi-platform = Web-Mobil-macOS-Windows-Linux), Problem solving and bug fix.

I know OOP, SOLID and UI/UX principles well.

I can speak ukrainian and english at intermediate level.
