Описание

Business Development Manager

Thank you for your interest in my candidacy and the opportunity to utilize my experience working with your team.

This seems like an interesting opportunity and it would be great to discuss and learn more about the team and the processes.

I've specialized in business and sales development roles since 2017, working with both software developers and clients.

Work experience

Business Development Manager DevIT, Zaporozhye, Ukraine

April 2020 - December 2020.

DevIT is a leading software development agency specializing in Javascript technologies and PHP.

Responsibilities:

- Managing company and client needs and expectations
