### Опыт работы

#### Game Designer, Content Designer

FireFog Games (IT),

05.2020 – 04.2023 (2 года 11 месяцев)

#### Обязанности:

- Creation and detailed description of game locations for the project "Time Master" (Casual Casino genre), including the generation and selection of references, as well as their graphic design (more than 100 game locations have been successfully released).
  - Preparation of documentation, including technical specifications and tasks for artists to ensure a clear understanding of the requirements for game locations.
  - Active collaboration with artists throughout the creation of each location from sketch to final render (providing edits and approvals at each stage to maintain an acceptable quality/speed ratio for location rendering).
  - Continuously analyzing and optimizing game locations to enhance the gameplay experience.
  - Active participation in the creative process and proposing new ideas to improve gameplay and game mechanics.
  - Welcoming feedback and being ready to adapt work in accordance with changes in the project.
  - Demonstrating responsibility, communication skills, friendliness, and loyalty when working as part of a team.
- ✓ Есть рекомендации с данного места работы
