Описание

VLADYSLAV ABAZA

Front End Developer

SUMMARY

I am an experienced and passionate Front-End developer with knowledge of HTML, CSS, JavaScript,Node.js and React. I was the Team Lead on the

project. I have a proven track record of utilizing the Agile /Scrum methodology to successfully deliver projects on time, within budget, and with a

focus on user-friendliness. I thrive in challenging and dynamic environments where I can help make a positive difference in both everyday life and

business with my creative problem-solving skills. I am a fast learner, responsible, and always up for a challenge.
