Опыт работы

[Student Project manager](#)

Prometheus (education), Киев
11.2024 – 01.2025 (2 месяца)

Обязанности:

I gained solid knowledge and practical skills in project management. I studied the basics of planning, risk management, budgeting, and team management, as well as Agile and Waterfall methodologies. Practical tasks and case studies helped me understand how to apply these tools in real projects. Thanks to the course, I learned to approach tasks more systematically and see the bigger picture of a project.
