Описание вакансии

We are looking for a full stack developer (mostly Front End) on a FinTech project.

The main part of the work - near 80% will be connected with Front End development and Angular.

Requirements:

- At least 1.5 years experience with Angular 2+ (commercial projects);
- Good knowledge of ASP.NET technology and C# language;
- Good knowledge of JavaScript, Typescript, HTML, CSS;
- Understanding OOP and design patterns, understanding functional programming approaches in JavaScript;
- Component Based Thinking;
- Understanding how to use RxJs;
- Experience with WebSockets;
- English: Intermediate+ is a must (including verbal communication).

Experience that would be a plus:

- Sass;
- Bootstrap;
- Signal R;
- Microsoft SQL Server.

ITCraft offers:

- Competitive salary according to the qualifications;
- Comfortable working environment;
- Flexible working hours;
- Benefits package;

- Reward for sport activities;
- In-house English trainings.

Please send CV.
