## Описание вакансии

We are looking for an experienced Production Manager to organize and oversee the manufacturing of goods. You will be ultimately responsible for the smooth running of all production lines and the quality of output.

We expect you to have deep know-how in production procedures. Ability to direct personnel towards maximum performance will set you apart as a leader. Decision-making and problem-solving will take up a great part of your day. If you are up to it, we'd like to talk to you.

The goal is to ensure an efficient and productive manufacturing process that meets customer requirements.

## Responsibilities:

- Liaise with other managers to formulate goals and understand requirements
- Estimate costs and prepare budgets
- Organize workflow to meet specifications and deadlines
- Monitor production to resolve issues
- Supervise and evaluate the performance of production personnel (quality inspectors, workers, etc.)
- Determine amount of necessary resources (workforce, raw materials, etc.)
- Approve maintenance work, purchasing of equipment etc.
- Ensure output meets quality standards
- Enforce health and safety precautions
- Report to upper management

## Requirements:

- Proven experience as production director
- Deep knowledge of production management
- Understanding quality standards and health & safety regulations
- Knowledge of performance evaluation and budgeting concepts
- Experience in reporting on key production metrics
- Proficient in MS Office and ERP software
- Outstanding communication ability
- Excellent organizational and leadership skills
- Attention to detail
- Strong decision-making skills and a results-driven approach
- BSc / Ba in Business Administration or relevant field is preferred

## Benefits:

Accommodation, learning and development, private medical insurance, accident insurance, pension plan, long term disability insurance (LTD), employee assistance program, loan, child care voucher scheme among many other benefits.
