Описание вакансии

Team of UKEESS Software House is currently looking for Strong Junior/Middle Full Stack Java Script Developer (with Node and React), who wants to join our of ambitious team for the full-time position in Lviv.

About the Project:

The Client is the world's largest DNA network in the world and helping people find the singular story in their DNA. The foundation of service is an extensive collection of billions of digital records, documents and digitized DNAs combined with modern search technologies, tools, and collaboration features. All that enabled more than two million subscribers to create over 16 billion historical records, along with millions of DNA results to make meaningful discoveries.

Required Skills and Experience:

- at least 1 year commercial experience in Node.JS
- at least 1 year commercial experience in ReactJS and Redux
- CSS3/HTML5
- Experience in designing and implementing a large-scale web application
- Knowledge of OOP and design patterns
- English: Intermediate

Will be a Big Plus:

- REST APIs
- Knowledge of databases (SQL or MySQL)
- Sagas
- Agile methodologies and software development life cycles

Responsibilities:

- Designing and developing new features of an existing cloud solution
- Manage technical requirements, work on API specs, add automation, conduct code reviews and engage in testing efforts
- Support team processes
- Participation in team code review/discussions/modeling
- Communication with the customer's team.

UKEESS Software House offer:

- Career growth
- Progressive management style
- Study and practice of English: courses and communication with colleagues and clients
- 3 levels of medical insurance program
- Paid vacation
- Flexible work schedule
- The ability to focus on your work: a lack of bureaucracy and micromanagement

- Friendly atmosphere, concern for the comfort of specialists
- Foreign business trips
- Free lunches, drinks
- Corporate events and meetings
- Professional and personal training, conferences and webinars
- No dress-code
- Corporate gifts
- Sports activities: Tennis, Soccer
- Experienced colleagues who are ready to share knowledge

If you are looking for a position to work on large cloud enterprise projects in a big international team where you can apply all your skills and grow professionally further — send us your CV!
