## Описание вакансии

**Carpe Diem** is a linguistic corporate center focused on providing languages training for Adult&Corporate Audience. We concentrate all our efforts on providing professional and profile language training mainly for adults and corporate clients.

Due to our unique methodology and way of training, we have been successful in our market for over 15 years. And all thanks to the professionalism and excellent resource management as well as organization of the materials provided.

We have developed a variety of training courses as well as different workshops focused on specialized areas, like Business, Medicine, Aviation, etc. Our main goal is to provide a simple, easy, approachable, but at the same time high quality, professional and efficient service to our clients.

We will be more than happy to have professionals in our team.
