Описание вакансии

About us:

SECL Group is a fast-growing company specializing in software development and technical consulting services in multiple countries around the globe.

We are currently looking for a highly skilled PHP Developer who is passionate about technology and digital innovation. The project is a huge platform in the healthcare sector.

Requirements:

- 2+ years of experience with PHP 7;
- Good knowledge of Codeigniter;
- Experience with PostgreSQL and MSSQL;
- Experience with MongoDB;
- Good understanding of Javascript;
- Attention to code quality;
- Intermediate English level

A big plus will be:

- Good knowledge of any JS framework.

Responsibilities:

- Developing new features;
- Bug fixing.

We offer:

- Possibility to work on interesting and complex projects;
- Opportunity for self-improvement and professional growth;
- Competitive salary according to qualification;
- Comfortable office location;
- Regular (twice a year) performance reviews;
- Healthcare insurance;
- Paid vacation and sick leave;
- Free tea, coffee, sweets, fruits, etc.
