## Описание вакансии

### Would You Like To Teach In Or Around Dubai?

SABIS® schools are recruiting for Artistic Gymnastics teaching positions available in and around Dubai.

All SABIS® schools are part of a global education network that has an active presence in 20 countries and educates over 70,000 students. Based on a proven proprietary system, and with over 8,000 employees, the SABIS® Network provides students with a top-quality education that prepares them to meet the challenges of a changing world. SABIS® schools offer exciting and fulfilling career opportunities for graduates of all disciplines in teaching and many other positions related to the field of education and education management.
