Описание вакансии

Business & Finance Consulting (bfconsulting.com), a dynamic team with an international profile in development finance, is glad to welcome applicants for the **Banking Analyst** position.

Location: home-based

Type: Full time (8 hours/day, Monday to Friday)

Who can apply?

- Specialists in the banking or audit field (auditing banks)
- Experts working in the financial sector with focus on bank analysis (audit, due diligence)

What are the responsibilities?

- Analyse and interpret financial statements of banks in developing countries
- Prepare summaries on the banks' financial situation
- Calculate and analyse ratios based on financial statements of banks
- Assist in measuring credit, market, operational, and liquidity risks of banks
- Collect data and perform research on banks
- Provide conclusions and recommendations on research findings (banking sector)

What do you need to perform well in this position?

- University degree in banking or another relevant field (connected to banking)
- Absolute fluency in English (perfect writing and communication skills in English)
- Ability to meet deadlines and perform in tight schedules
- Excellent communication, writing, and analytical skills

Interested applicants are invited to submit a CV in English to vacancy@bfconsulting.com by September 30, 2020. For details on the application process please visit us online at <https://bfconsulting.com>.

Applications are assessed as they are received. Only shortlisted candidates will be contacted. Thank you for your application!
