Описание вакансии

Are you a medior/ senior python developer with a love for data analysis/math's? We are looking for a colleague with a passion for Python.

We are a small Europe-based team (5) of talented software developers who have niched down in the building of data tools and automations for the NFT space and we are looking for additional talent to strengthen our team. You can check us here: gmcolab.com/

We are looking for a Remote Python Developer:

Has extensive experience in Python 3.

Has a strong background in at least one web application framework (Django, Flask).

Has experience with public cloud services (eg; AWS, Linode, Azure - AWS preferred).

Knows how to work SQL databases (PostgreSQL, MySQL).

Is fluent in English, especially verbally.

Feel free to fill in the following form and will get in touch with you ?. forms.gle/kW9bB9gjaSiSEKPt6

Looking forward to meeting you.
