График работы:	полный рабочий день

## Описание вакансии

**Solid Software**, a company that specializes in Dart/Flutter, is looking for a talented **Trainee Flutter Engineer** to join our team.

We have gained strong expertise in Flutter mobile/web engineering since early 2018 and now are happy to share our experience with those who are at the beginning of their paths, however, also want to become experts in this area.

We're proud of our team, where each member is a valuable part of our company, and are looking forward to seeing you among us!

## Requirements:

- Knowledge of Computer Science fundamentals;
- Basic knowledge and strong desire to learn Flutter & Dart;
- Good understanding of OOP, SOLID, DRY;
- Experience of working with Git;
- English level: at least Intermediate;
- Strong focus on code quality and ability to write clean code;
- Curiosity and constant willingness to dig to the roots of the matter;
- Strong problem-solving skills as well as a self-initiative approach.

## What will you do?

- Learn best practices and constantly improve your Flutter & Dart skills;
- Work closely with your mentors and follow their instructions;
- Implement Flutter/Dart applications with the focus on quality, support them and add new features.

## Why Solid Software?

- One of the biggest Flutter expertise in Ukraine and in the world;
- Work with trendy and sometimes experimental technologies;
- Atmosphere of happiness and comfortable work & life balance;
- Work-from-home opportunity;
- Flexible schedule;
- MacBook Pro and great tech;
- Decent compensation from the beginning;

- Covering costs of professional events;
- Compensation of sports activities;
- Compensation of COVID-19 test;
- Lack of bureaucracy.

**Professional growth:**

- Internal career path program: from Developer to Architect. It consists of 11 knowledge areas, books, training sessions, and work activities;
- Mentorship program;
- Corporate library with best programming books (+ an ability to order a particular book if we miss it);
- Ability to work on challenging projects with awesome clients;
- Professional and constant feedback.

**Team & Fun:**

- A wonderful team of colleagues with lots of practical experience in Flutter Development;
- Friendly atmosphere, mutual help, and support;
- Corporate parties and fun team-buildings;
- Anniversary presents.

**The vacancy is relevant for candidates from all cities of Ukraine.**
