## Описание вакансии

UKEESS Software House is currently looking for a Middle Back-end Ruby Engineer who wants to join our ambitious team for the full-time position in Lviv. During the pandemic, we work remotely, after will be flexible (part-time office/part-time online).

About our project:

This is an innovative automated cloud-based software that simplifies and efficiently manages a car buying process for B2C. The buyer, seller, and all stakeholders involved in a sale can easily connect, communicate, verify and close, in a fraction of the time Our customer is based in the USA and working with luxury car brands. This is the only car-buying solution to incorporate FinTech that creates an incorruptible digital ledger of economic transactions to automate and secure the entire car buying process.

The technology stack of the project: Ruby 2.7/Rails 6/PostgreSQL/Trailblazer 2.1/AWS/Angular 9

And our ideal teammate will be doing next:

- writing clean, readable Ruby code
- develop and maintain technical documentation related to the project
- work as a team player & communicate effectively
- work on creating the right clean code architecture

Requirements:

- at least 2 years of commercial experience with Ruby (with Ruby on Rails)
- Experience with PostgreSQL
- Strong knowledge of SQL beyond ActiveRecord
- Understanding main OOP principles
- SOLID understanding of object-oriented programming
- Understanding design, architecture principles
- English Strong Intermediate +

It Will be a big plus:

- Experience with other common libraries such as RSpec
- Experience with k8s and docker
- Experience with AWS (S3, EC2, EKS, ECR, SES, etc)
- Agile methodologies and software development life cycles

What do we offer our new colleague?

- interesting full-time position in a highly professional team and friendly company
- competitive compensation (also depending on the technical level of the candidate)
- flexible work schedule
- individual approach to a profession
- free English classes (online)
- 3 health packages to choose
- annual paid vacation and state holidays celebration

- lack of bureaucracy and micromanagement

After the pandemic in our office you will have:

- modern, comfortable office facilities (a barbecue zone, kitchens, company paid lunches, lounge rooms, coffee machines, etc.)
- foreign business trips
- on-site parking lot and charge station for Electric Cars
- corporate gifts, celebrations, and fun activities
- sports activities: ping-pong, soccer, work-out

Send us your CV and let's get to know each other! ;)
