Описание вакансии

Due to our recent decision to increase the number of staff at our company, we are looking for a person for long-term cooperation who has deep knowledge and experience of **PHP development**, likes to develop themselves, and wants to apply their knowledge in interesting projects.

The knowledge that will be necessary for your effective work

- 2+ years of experience working with PHP;
- 2 years of experience with Laravel, MySQL, Javascript;
- English at the upper-intermediate level and higher.

The additional advantages will be:

- Full stack development experience;
- Experience in working with Amazon Developer Services;
- Version control system experience (Git);
- Linux.

InStandart offers:

- Flexible schedule and ability to work remotely (8 hours in total must be worked per day);
- Paid vacation, legal, and accounting services;
- Corporate English courses twice a week;
- Our office is situated in Kherson city center, near a large park;
- We have a dedicated office zone, a dining room with a kitchen, etc.;
- We have a table for playing tennis and wall bars;
- Regular funny and exciting corporate and team-building events.

We are looking forward to receiving your CV!
