Описание вакансии

SalesNash is a young, but also cool and fast progressing company. In the period of 3 years of active and creative work, we've managed to develop into a company with 40 employees, 250 successfully completed projects and grand plans for the future.

Our mission:

«SalesNash is there to help clients become successful in the short term through innovative approaches to selling their products and services»

Even if you're just a student, but you've got potential and desire to be a part of our forward thinking team, read further.

The opportunities we provide are the following:

1. Getting experience of working for an international Canadian Ukrainian company.
2. Talking to native speakers, which will improve your English speaking skills.
3. Learning at our training center; our company's trainer will help you adapt and get you ready to do the job.
4. Awesome clients: we work with leading companies from all over the world. You'll be working on really interesting projects.
5. Convenient schedule, especially for students, from 2 p.m. to 10 p.m.
6. Competitive scalable salary paid monthly.
7. Paid vacation (20 working days per year).
8. Comfortable office in the city center.
9. Covered taxi expenses.
10. Coffee, tea and snacks.
11. Young and friendly team.

It's a full-time office position

Key Responsibilities:

- Outreach targeted prospects by email and LinkedIn;
- Answer all their questions and schedule appointments;
- Write weekly reports.

What we offer:

- Self-fulfillment in the creative environment;
- Competitive scalable salary (approximately 700\$+);
- Opening hours Mon-Fri: 14:00 — 22:00 in a comfortable office in the city center;
- Extremely fast growing and young team;
- Paid vacation (20 days per year);
- That is not a sales job (just FYI)

Qualifications:

A perfect fit for us is a responsible person who has a degree in English (or has Intermediate level or higher), worked in an IT company, or with experience in Sales, Lead Generation, Customer Support, Content Writing, or any other related field.

Also, you need to have a personal laptop.

If you think that you don't have so much experience, no worries! Our main goal is to find a person who loves to learn and is motivated enough to succeed.
