Описание вакансии

COMPANY OVERVIEW:

Founded in 2004, Diatom Enterprises is a web design and development company that combines strategic thinking with a passion for technology to advance our client's purpose. We bring together a diverse team of creative and technical professionals who partner with our clients to create their digital strategies. It's our people-first approach that drives us to win awards, work with prestigious clients, and break ground with exciting technology.

Currently, we are actively looking for skilled C# .NET developers to join our existing project where 17developers are already involved in the process.

PROJECT DESCRIPTION:

- The project is a desktop application for Postal Services. (USA/Europe)

APPLY FOR THE JOB IF YOU HAVE:

- Strong proficiency with C#;
- Experience with HTML / CSS / JavaScript / XSLT (1 yr);
- Experience with WPF / XAML;
- Experience with REST API;
- Experience with Android Xamarin development is a plus;
- Work experience as part of a Scrum-based Agile team, working closely with designers, business users,
- architects, back-end and front-end developers;
- Experience with other technologies will be considered a big bonus;
- English must be Upper-Intermediate or higher.

WHY YOU'LL LIKE THE JOB:

- 100% remote or on-site full-time position;
- Competitive compensation;
- Great team.

Diatom is proud to be an equal opportunity employer. We are committed to building a team that represents and respects diverse backgrounds, perspectives, and skillsets. All qualified candidates that share Diatom's core values are strongly encouraged to apply.
