Описание вакансии

COMPANY OVERVIEW:

Founded in 2004, Diatom Enterprises is a web design and development company that combines strategic thinking with a passion for technology to advance our client's purpose. We bring together a diverse team of creative and technical professionals who partner with our clients to create their digital strategies. It's our people-first approach that drives us to win awards, work with prestigious clients, and break ground with exciting technology.

For this project, we are looking for Ruby Developers to join our team.

PROJECT DESCRIPTION:

- Work for a major player in the Finance/Education industry.

APPLY FOR THIS JOB IF YOU HAVE:

- Preferably, 2-3 years of previous experience in a similar role;
- Good understanding of the syntax of Ruby and its nuances;
- Solid understanding of OOP;
- Familiarity with concepts of MVC, Mocking, ORM, and RESTful;
- Experience with popular web application frameworks (such as **Rails** etc.).

WHAT YOU'LL BE DOING:

- Design, build, and maintain efficient Ruby code;
- Ensure the best possible performance, quality, and responsiveness of the applications;
- Identify bottlenecks and bugs, and devise solutions to these problems;
- Help maintain code quality, organization, and automatization.

WHY YOU'LL LIKE THE JOB:

- 100% remote or on-site full-time position;
- Competitive compensation;
- Great team.

Diatom is proud to be an equal opportunity employer. We are committed to building a team that represents and respects diverse backgrounds, perspectives, and skillsets. All qualified candidates that share Diatom's core values are strongly encouraged to apply.
