## Пожелания к сотруднику

Образование: не имеет значения

Опыт работы: от двух лет

## Описание вакансии

### COMPANY OVERVIEW:

Founded in 2004, Diatom Enterprises is a web design and development company that combines strategic thinking with a passion for technology to advance our client's purpose. We bring together a diverse team of creative and technical professionals who partner with our clients to create their digital strategies. It's our people-first approach that drives us to win awards, work with prestigious clients, and break ground with exciting technology.

For this project, we are looking for a Python Developer to join our team.

### WHAT YOU'LL BE DOING:

- Writing effective, scalable code;
- Testing and debugging programs;
- Improving the functionality of existing systems;
- Implementing security and data protection solutions;
- Coordinating with internal and client teams to understand user requirements and provide technical solutions.

### APPLY FOR THIS JOB IF YOU HAVE:

- Proven work experience as a Python Developer (2+ years);
- Expertise in at least one popular Python framework (e.x. Django);
- Familiarity with front-end technologies (e.x. JavaScript);
- Team spirit and good problem-solving skills.

### WHY YOU'LL LIKE THE JOB:

- 100% remote or on-site full-time position;
- Competitive compensation;
- Great team;
- Relocation based on availability.

Diatom is proud to be an equal-opportunity employer. We are committed to building a team that represents and respects diverse backgrounds, perspectives, and skill sets. All qualified candidates that share Diatom's core values are strongly encouraged to apply.
