## Описание вакансии

Are you a talented **Back-end developer with minimum 1 year experience** who has an unbeatable can-do attitude? If your answer is yes, WELCOME!

We are looking for a motivated and creative **Back-end developer with minimum 1 year experience** to join our team, to start as remote work.

### Your reasons to join us:

We are a company (companies) working in the Nordic market (Finland and Sweden). We are working with 4–5 different IT-products (Our own) and 1–2 client products. We are constantly growing and therefore always striving to make our software and service better and more efficient. We have a low-hierarchy work environment where we are allowed to laugh and joke and we really appreciate real talent and innovative way of thinking

We are offering you a challenging position in which you will be having an important role in developing our software. In this position you get to be involved in variety of different projects where you get to use your own innovation

We are using these following technologies:

- C#.Net
- Azure
- Webservices
- SQL

We offer you:

- A skilled team to work with
- A possibility to grow within the company
- Open and low hierarchy work environment
- An positive and free work environment from where-ever you work
- You can work remotely

### Your profile:

- We hope you are somewhat familiar with at least some of the back-end technologies and more than anything that you have the right attitude with a can-do-spirit.
- You take pride in building and running a secure, reliable and performant distributed services

If this job sparks an interest in you, send your CV to [kassavirtanencompany@gmail.com](mailto:kassavirtanencompany@gmail.com)

Please attach your CV **only** in English. Thank you!

Please pay attention that an interview and your potential employment can be **only** in English

If you have any questions regarding the position don't hesitate contacting the same email! This position will be filled as soon as we find the right match!
