Описание вакансии

Join the Colnect team and mix your passion with full time work. We need independent, dedicated, self-motivated, efficient and creative people to join us as a web tester.

Working for Colnect provides:

- Set your own schedule.
- Work from home or anywhere.
- Various responsibilities and minimal bureaucracy.
- Above all - working with collectibles and for collectors around the world! :D

Work conditions:

- Working hours (at least 40 per week / 170 per month) will be registered using a time tracking app.
- Regular communication through emails and Signal.
- You must have access to a work space with fast Internet connection and a computer.

What we're after:

- Knowledge of testing frameworks (one is enough) in popular languages like JavaScript (Mocha, Jasmine, Cucumber), Ruby (RSpec, MiniTest, Test::Unit, Cucumber), PHP (PHPUnit, Codeception).
- General knowledge of testing techniques (terms like TDD, BDD, end-to-end testing, unit testing, regression testing should ring a bell).
- Knowing what Selenium is and general understanding of how it works in connection with browser drivers.
- Knowing how to use a debugger.
- Knowledge of PHP and JS, enough to be able to reason about the errors and have an idea of how the system works.

In order to apply for this position you need to fill out the application form and complete a quiz. You receive the link to it by email.

We look forward to working with you :)
