Описание вакансии

SOLEAD Software is looking for a graphic designer to help our sales&marketing team in creating various visual materials. The tasks will include design of a new website, styling of corporate brochures, creating document templates, and others.

If you are a creative and proactive person, able to suggest fresh ideas, join our small but friendly team and contribute to overall company success.

Duties and Responsibilities

- Work on visual design of various materials for sales&marketing team
- Suggest new visual ideas and concepts
- Communicate with teammates, participate in brainstormings
- Report to CMO

Skills and Qualifications

- 3+ years of experience in visual design area
- Understanding of UI/UX design principles
- Basic illustration and motion design skills
- Experience with Adobe products for graphic design and web development
- Understanding of IT domain
- Proven team working skills
- English communication skills (B1 or higher)

This is a part-time position for 6 months with possible prolongation. Our office and team are located in Lviv, Ukraine.
