Описание вакансии

Keep a cool head and set the course for your career now!

We are looking for you with a passion for processes and logistics: Junior IT Specialist (m/f/d) System Administration Windows Server
For our leading European partner company in frozen food logistics with 3,000 employees and 40 locations, we are looking for you as a Junior IT Specialist (m/f/d) System Administration Windows Server.

Your tasks with us:

- Configuration, installation and maintenance of Windows servers and virtualization solutions (VMWare), taking into account current security standards such as firewalling and multi-zone concepts
- Conception, planning, consulting and implementation of projects in the Windows Server environment
- Administration and maintenance of the Microsoft infrastructure (Active Directory)
- Incident, problem and change management
- Project-oriented, cross-team work

What we want from you:

- First practical work experience in the Microsoft Windows server environment
- Knowledge of domain controllers and their services
- Knowledge of virtualization solutions
- Knowledge of Exchange, Veeam or release and patch management desirable
- Independent, holistic and service-oriented way of working
- Your contact person:
Tsyndriuk Vladyslav
