Описание вакансии

We are presently in search of skilled and seasoned **Operations Director**.

Our company support candidates who demonstrate business approach **not in words but in deeds**.

The candidate will be responsible for 5 supportive company divisions: HR and Administrative, Call centre, Quality control, Finance and Permit divisions. The hands-on practice for 2 months will be mandatory during the probation period.

Responsibilities:

- Operational Oversight:** Overseeing day-to-day operations to ensure smooth functioning across all departments and functions.
- Process Improvement:** Identifying opportunities for process improvement and implementing measures to enhance productivity and efficiency.
- Budget Management:** Managing budgets for various operational activities and ensuring cost-effectiveness in all operations.
- Team Leadership:** Providing strong leadership to the operations team, fostering a culture of collaboration, and promoting professional growth and development.
- Performance Monitoring:** Monitoring performance metrics and KPIs to track progress and identify areas for improvement.
- Risk Management:** Identifying and mitigating operational risks to ensure business continuity and compliance with regulations.
- Stakeholder Communication:** Collaborating with other departments, senior management, and external stakeholders to align operations with company objectives and foster positive relationships.
- Continuous Improvement:** Promoting a culture of continuous improvement and innovation to adapt to changing market conditions and drive long-term success.
- Compliance:** Ensuring compliance with relevant laws, regulations, and industry standards in all operational activities.

Requirements and skills:

- **Education:** A bachelor's degree in business administration, operations management, or a related field is often required. A technical degree can be beneficial.
- **Experience:** Significant experience in operations management, with at least 5-10 years in progressively responsible roles. Experience in a remote leadership or managerial role is imperative.
- **Strategic Thinking:** Ability to think strategically and develop long-term plans to optimize operations and achieve organizational goals.
- **Leadership Skills:** Strong leadership abilities with the capacity to inspire and motivate teams, as well as delegate tasks effectively.
- **Problem-Solving Skills:** Excellent problem-solving skills to identify issues, analyze root causes, and implement effective solutions.

Compensation: USD \$4000.00 + Bonuses.
