- Local cooperation with brand teams, medical teams, MCE team
- Support brand leads in translating HCP insights to consumer added value
- Identify Customer (HCP) 360 Engagement Strategy
- Creation of impactful branded/non-branded HCP content and campaigns with support of marketing and medical
- Close cooperation with global team & localization of global content

About you

- Minimum 3 years professional experience
- At least 1 years of work experience at similar position, with OTC / healthcare / pharma marketing agency
- Educational background in pharma/medicine / marketing will be a plus
- Proven work experience in creating content strategy for medical professionals
- Great knowledge of the information environment in which doctors and pharmacists work (services / websites/ conferences)
- Understanding HCP Journey, information needs, role and credibility of different touchpoints
- Ability to analyze reports / draw conclusions, and recommend actions based on them
- Executional excellence / aesthetic sense / ability to formulate powerful messages and synthesize knowledge
- Team spirit persuasiveness & influential skills, highly collaborative
- Fluency in Ukrainian and English

What company offers:

- An international work environment
- Contract of employment.
- An attractive package of benefits (medical and life insurance, corporate car, lunch allowance for office workers, etc.)
- Flexible home office policy, with a possibility to work up to 50% of time from home
- Employee Assistance Program (mental health support, legal and financial consulting).
- Gender neutral paid parental leave as well as volunteer days.

If you want to become a part of a big international company — send your **CV in English**.

Thanks for your attention and take care, please!
