Описание вакансии

Job Description:

Position: Django/Python Developer (Part-Time)
Location: Remote (flexible working hours)
Salary: Up to $2,500 for full-time, proportionate for part-time
Job Type: Part-Time (1/2 time) with the option to transition to Full-Time after the trial period.

Key Responsibilities:

-
  - Develop and maintain backend services using **Django Rest Framework (DRF)**.
  - Integrate backend services with the AI-based product's frontend.
  - Collaborate with a highly skilled team on innovative AI features and infrastructure

Required Skills and Qualifications:

-
  - Strong proficiency in **Python** and **Django** for backend development.
  - Experience with **RESTful APIs** and **WebSocket** communication.
  - Knowledge of database management systems like **PostgreSQL** or **MySQL**.
  - Familiarity with version control systems like **Git**.
  - Excellent problem-solving and communication skills.

Preferred Qualifications:

- Spoken English
- Familiarity with machine learning concepts and libraries.
- Knowledge of containerization technologies such as Docker.
- Basic understanding of frontend technologies (e.g., **HTML**, **CSS**, **JavaScript**, **React**, or **Vue.js**).

What We Offer:

- Competitive salary.
- Opportunities for professional growth and development.
- Flexibility to work remotely.
- The chance to work on exciting and impactful projects.

Join us in shaping the future of AI technology! If you are passionate about backend development and looking for an exciting opportunity, we'd love to hear from you.
