Описание вакансии

Continental AG, commonly known as Continental or simply Conti, is a German multinational automotive parts company specializing in tires, brake systems, and interior electronics.

At Continental, we have increased our hydrogen development plans so that trucks, buses and excavators can operate without emissions in the future. Over 150 years of experience in products and materials makes us the ideal partner in the development of new materials for the hydrogen value chain, strategically aligning Continental with potential customers. Together, we can make the future of heavy-duty transportation a reality.

Continental develops advanced technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, smart and cost-effective solutions for vehicles, machinery and transportation. We have vacancies for Product Marketing Manager, Marketing Assistant. measure and optimize the buyer's journey in relation to Duties:

- Collaborate with the product team to communicate our product features and benefits to internal and external stakeholders.
