Описание вакансии

outstaff company is seeking for his client a highly motivated and experienced Team Leader to manage and guide our offshore development team, responsible for maintaining and developing our remittance product. The ideal candidate will have a strong technical background, prior experience leading teams, and hands-on expertise in NestJS and React. Experience with PHP (legacy systems) is an advantage.

Key Responsibilities:

· Lead, mentor, and manage a team consisting of senior, mid-level, and entry-level developers, a Flutter developer, and a QA engineer.

· Oversee the development, maintenance, and enhancement of the remittance product.

· Collaborate with the product team to gather and prioritize requirements, ensuring the team delivers high-quality results on time.

· Participate in code reviews to maintain high standards of code quality and consistency.

· Define and enforce best practices for software development, including CI/CD processes and agile methodologies.

· Work hands-on when necessary, contributing to the development of key features or resolving complex technical challenges.

· Provide technical guidance and troubleshoot issues related to the technology stack (NestJS, React, and PHP).

· Ensure smooth communication between the offshore team and the main office.

· Monitor and report on project progress, identifying risks and proposing mitigation strategies.

Requirements:

· **Experience:**

Minimum 5+ years of experience in software development.

At least 3 years of experience in a Team Leader or similar role, managing cross-functional development teams.

Technical Skills:

o Proficiency in NestJS and backend development using TypeScript.

o Strong knowledge of React for building modern front-end applications.

o Experience working with PHP (legacy codebases) is an advantage.

o Familiarity with databases such as MySQL and PostgreSQL.

o Experience with CI/CD pipelines and agile methodologies.

o Understanding of mobile development principles (Flutter experience is a plus).

Soft Skills:

o Strong leadership and mentorship abilities.

o Excellent communication and interpersonal skills.

o Problem-solving mindset with the ability to handle challenges in a fast-paced environment.

o Proactive and self-motivated with a focus on delivering results.
