**Описание вакансии**

We're seeking a talented .NET Developer to help shape the future of blockchain technology in innovative startup. If you're ready to make a real impact in a cutting-edge industry, we'd love to hear from you!

Core Competence:

• At least 2 years of professional experience in software development with a strong foundation in C#, ASP.NET Core, and Entity Framework.

• Proficiency in managing IIS, MS SQL, Visual Studio, and Docker environments.

• Familiarity with ODBC, LINQ, NUnit, xUnit, NuGet, and RESTful APIs, alongside Git for version control.

• Sound understanding of client-side and server-side architectures.

• Strong analytical thinking, with a structured, math or engineering-oriented mindset and a focus on delivering results.

Preferred Qualifications:

• Knowledge of ReSharper, experience with Azure, and familiarity with NoSQL databases.

• Experience with AWS and Linux system administration is an asset.

• Active participation in hackathons demonstrates innovative thinking and problem-solving skills.

• Upper-intermediate level of English for clear and effective communication in a global team.

What We Offer You:

• Competitive Compensation: Your skills and experience will be rewarded with a salary aligned with industry standards and your career ambitions.

• Innovative Work Environment: Be part of a forward-thinking FinTech startup with a culture of continuous learning, including tech talks and participation in hackathons.

• 20 paid vacation days, 3 paid sick days, and a flexible schedule for work-life balance.
