## Описание вакансии

If you've got a passion for motion and a knack for turning ideas into eye-candy, we want YOU to join our vibrant team and set the digital world ablaze!

### What You'll Do:

- Craft show-stopping animated video creatives for mobile games and apps that leave audiences hooked.
- Rock Adobe After Effects (and other tools) to bring dynamic, scroll-stopping animations to life.
- Brainstorm bold, out-of-the-box concepts for fresh projects that push creative boundaries.

### What You Bring:

- 3+ years as a Motion Designer, creating visuals that scream "WOW!"
- Master-level skills in Adobe After Effects and other animation tools.
- Proven experience with video creatives for mobile games or apps.
- A creative brain that sparks wild ideas and solves challenges with flair.
- Team vibes—collaborate like a pro and thrive in a fast-paced, fun environment.

### Why You'll Love It Here:

- Full-time gig with a 5/2 schedule—work hard, play hard!
- 100% remote—create from anywhere, whether it's a beach or your cozy couch.
- Evening shifts available for night owls who shine in the quiet hours.
- Join a dynamic, creative crew working on epic global projects that make an impact!

### Who We Are:

We're a video production studio straight from the heart of Latvia, bursting with passion for storytelling through video. From corporate videos to promo reels, video creatives to tutorials, we craft content that builds trust and powers businesses. We team up with startups, ad agencies, and mobile game/app developers worldwide, offering you a playground of diverse, exciting projects! ?
