Опис вакансії

The company is looking for writers with advanced English skills to join our well-established team of academic pros.

Requirements:

- fluent English
- Willingness to work remotely/ from home
- Ability to strictly follow instructions and requirements
- At least a Bachelor's degree (higher education in any discipline)
- Ability to adequately communicate and maintain relationships in a team

Bonus skills:

- experience writing academic papers
- practical knowledge of academic citation styles (MLA, APA, etc.)

Duties

- Completing academic papers according to requirement and standards provided by customers and company management.

If you fit the requirements and are ready to start working with us, please leave your resume or reach out via Skype at korolin2009 to find out more about the position.
