**Опис
вакансії**

This is a remote, home-based position.

Scopic Software is the largest virtual software company in the world. (www.scopicsoftware.com) We have over 200 employees in over 25 different countries. All employees work from home. We develop custom software applications for clients in North America and Europe. The company is looking to hire a talented **Cross-Platform Mobile Developer**. Work hours are flexible and projects are interesting and challenging.

Requirements:

• 2+ years of mobile development experience;

• Expertise with either Ionic, React Native or Xamarin. Ionic is preferred;

• Strong Javascript skills;

• Bachelor's degree or higher; Students about to finish their degree will be considered;

• Good written, reading, and spoken English skills;

• Dedication and discipline to work remotely from home;

• Good PC and internet connection;

This is a full-time position.

Hourly rate range from $10-$18/hr depending on skills and experience.
