Опис вакансії

Looking for a sales manager to work with foreign business owners (mostly from the US). High command of the English language is essential.

You will be selling IT products on the Google Sheets (we will teach you all the data about it, just general understanding is needed).

Requirements:

- Fluent and grammatically correct verbal and written English (perfect understanding of American and English accents, not asking to repeat, answer fluently)
- Experience in verbal and written communication with native speakers.
- Be a positive, sociable, and honest person
- Care about clients, ability to talk respectfully from their point of view.
- You need to be willing to drill our sales script and sell based on it.
- You should love sales.

This job is not for you if:

- Your communication is not fluent and grammatically correct.
- You haven't had any practice of verbal and written communication with native speakers.
- You don't think that all clients deserve care and attention.
- You don't want to sell based on our sales techniques.
- You don't like sales
- You don't intend to continue working in this area in the near future.

The base pay is not going to be high, but in addition, you'll get 10% of each sale and resale + bonus upon reaching a certain amount of sales.

There is no earnings ceiling in this area.
