Опис вакансії

If you live and breathe mobile development, dream to be a part of global revolution, want to work on exciting applications — then you have to join to our team of the Mobile Apps Development company — Natife.

We are looking for experienced iOS/Android developers with strong leadership qualities. We need responsible and a determined person who is ready to share his experience with junior developers.

Requirements for an IOS Developer:

iOS Developer

- Swift and Objective-C;
- Strong experience with RxSwift;
- Ability to write clean and well-structured code;
- Intermediate/Upper-Intermediate English
- Popular iOS frameworks
- Git, version control system
- Trello, Jira task managers
- REST (JSON, XML)
- Knowledge of App Store Review Guidelines

Responsibilities

- Work on projects from scratch and on ongoing projects
- New features development and updates;
- Support existing functionality at all level;
- Build scalable and extendable architecture;
- Improve existing UI, animations, and product usability;
- Develop technical specification on client's demand;
- Participate in calls, meetings and negotiations with the clients.
- Continuously learn, evaluate, and implement new technologies to maximize development efficiency;

Requirements for an Android Developer:

- Knowledge of programming technologies and experience of work with them (Java and/or Kotlin);
- Understanding the principles of OOP;
- Experience of the work with SQlite;
- Knowledge and ability to work with XML, JSON;
- Understanding and ability to work with REST API;

It will be an advantage:

- Knowledge and ability to use design patterns;
- Knowledge and ability to use architectural templates (MVP, MVVM, etc.);
- Knowledge and ability to use such libraries as RxJava2, Realm, Objectbox, Dagger2, Retrofit2;
- Knowledge and ability to use «Android architecture components»

- Ability to use version control systems (Git)

What we offer:

- Full-time work in friendly, young and full of energy team;
- A comfortable and cozy office in the centre of the city;
- PS4, table tennis and other activities;
- Unlimited quantity of tasty cookies/coffee/tea;
- Decent wages and bonuses;
- Benefits package (opportunities to visit gym, corporate events, English classes, etc.);
- Excellent opportunities for professional growth and personal development.
